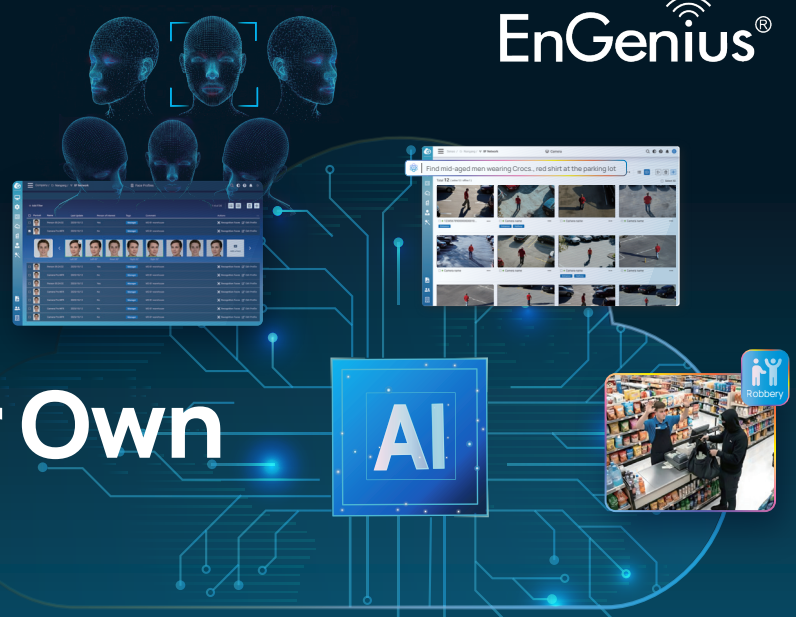
EnGenius®

SPECIAL OFFER



Test AI in Your Own Environment

Evaluate AI in your own environment before AI intelligence empowers your organization.

EnGenius AI Test Kit

Two Options to Test AI in Your Environment

TEST KIT 01

Integration Validation

For those who want to add AI to their existing system — but need to know it works.

INCLUDE

1. ECC100 Outdoor Dome AI Camera
2. NVS with legacy camera integration (ONVIF / RTSP)
3. 1-Year Camera Pro License for unlimited remote monitoring.
4. 300M AI Tokens for real-time detection, AI video search, and advanced cloud-AI event analysis.
5. Guided onboarding
6. Validation + ROI report

TEST KIT 02

Integration Validation

For those who need to prove AI accuracy in their most critical zones.

INCLUDE

1. ECC500 Outdoor Dome AI Camera
2. 1-Year Cloud Pro License
3. 300M AI Tokens
4. Guided onboarding
5. Accuracy & performance report
6. Expansion strategy session
